Hi all,

Please find the following documents from the Missouri Buffalo Ditch TMDL withdrawal attached:

- a. 'Letter to EPA – Withdrawal'
- b. 'withdrawal-buffaloditch-3118-tmdl-final' - The final TMDL updated with "Withdrawal" and the public notice dates for withdrawing the TMDL.
- c. 'withdrawal-public-comments-buffaloditch' - This document contains public comments and justification for the TMDL withdrawal provided as a report by a commentor for this particular scenario.
- d. 'withdrawal-response-buffaloditch'

As discussed in our meeting on July 6th, the EPA recommends placing this action on public notice and providing a fact sheet or other appropriate documentation explaining the reason(s) for withdrawing the TMDL.

Please let me know if you have additional questions or comments.

Best,
